

MEMBERSHIP APPLICATION 2011

Last year saw a major change to the setup of the St Johnstone FC Business Club with a new improved structure. Although the changes resulted in us having a slightly smaller membership, there was a larger active membership, with nearly all of the members attending at least 50% of the events organised.

As a Management Committee, we are working hard to bring together a range of events throughout the year and these will include an Away Day, Meet the Members Evening, Golf in June, the Annual Dinner in September, Comedy Night in November and new for 2011 a Sports Lunch as well as Quarterly Social Evenings and Corporate Hospitality Days throughout the year.

Due to increasing costs we have had to increase the membership fee to £110 **which includes one match Corporate Hospitality at selected fixtures and the Meet the Members evening**. We look forward to all current members renewing their subscriptions as well as welcoming many new members to help grow the Business Club and carry on the success we have had in the past.

Details of corporate hospitality matches available to members will follow in due course, along with notification of forthcoming events as they approach.

During the past membership year the committee have been developing the website of the club. Further to this we are now able to offer members adverts on the site (which can have up to 2000 hits per month) for only £40 per membership year.

Once again, thank you for your continued support.
